

CHARLES CAARK
23 FORD AVENUE
DREGHORN,
Ayrshire
KATH. LBS.

My Dear Mellise,

Please forgive my seemingly,
sackit
unearij^g letter, my reason apart from apaalij
Bad memory, I have my son and daughter
to cook and shop for ~~so~~ extra and I am
down at my mother in Saltcoats a lot
due to her recent fall & illness (she is 90yr)
so I have much too much on my plate

The news of your "putting" David thro his 2^d is
a great joy to me how I wish that Selbach
had been treadij the aral that evening.

What joy I love you both very much and
yourself as you do so much for the craft

I remember I think Carl Wrench said he would write on these papers given him by B. agreed with me it would help a lot. Perhaps Carl gave them to him with that intention, Carl did have permission. This Kelly is only in my Ken thro your info.

My granddaughter has most of the Tarot left. I've not yet decided if I'll let you have the Back of shadows & what's left. Wait a year and a day and if they are still in my possession, well you may have what else I have occult & craft wise.

Lisa's current best-friend shares a caravan with her and is very Tarot-wise.

I'm looking out to see if I can get the addresses of an old couple that I was in touch or getting out of touch when John & Lorna came on the scene. I can't find their address perhaps I gave John it

at one time if not, if I do as we said
 to John resume circulating I may come
 across them. If the Manx Boat resumes
 this summer on the weekend to D.O.M.
 perhaps I'll go over and see what's
 what. I feel at times an initiation into
 a practicing group of new initials would
 be of benefit to me, perhaps the new
 adaptations would suit me. Melissa when
 you do ask me in a years time about
 the Book of shadows etc., perhaps David
 would like 1 or two masonic items for
 his "collection" that is if he is still interested
 in them, I have 6 life membership certificates
 and 1 or 2 other items. You will likely feel the
 likes off this as thick, I'm not ~~there~~ 100% just
 now.

I remain.

Yours in the G.S. ★
 Charlie Clark

my love to the wee
 one. x x
